Dear Ms. Livingston,

We are pleased to be exhibiting Giovanni's paintings "Capital's Capital," "Robert DeNiro," "Bougereau's Bougaloo," and "Psycho-Sexual-Spiritual-Mad (Self Portrait)" in ART WORKS!, our summer exhibition organized by Jeffrey Melzack for Very Special Arts Massachusetts. Enclosed are some extra invitations for your records. I am sorry no photographs of the opening are available.

We wish Giovanni continued success with his artistic career.

Sincerely,

Elizabeth C. Haff
Acting Director
