

THE PRESIDENT

August 24, 1992

Dear Mr. DeCunto,

Pres told me about the unveiling of your magnificent painting at the Astro Arena and brought over the beautiful print. I really appreciate all the hard work, long hours, and money spent on the painting for the Convention. They will be great additions to my Presidential Library. Many, many thanks!

The Convention was a big success and now I'm ready for the road ahead. We will win in November!
Thanks, again, for all you did.

Sincerely,
