Dear Mr. DeCunto:

On my return from vacation I found that your drawing of Harold Edgerton, which you gave to the collection, had been received. It is a very strong piece and I wish to thank you for your generosity.

I wonder if you would be able to supply us with a photograph of the finished portrait now at MIT. I also would appreciate any information you could send me on your birth date, education and subsequent career.

Again, many thanks.

Sincerely,

Robert G. Stewart
